Additional Costs

School Supplies

Students are expected to provide the supplies that will be needed for their individual class needs as well as some that will benefit the classroom as a whole. These can be dropped off at Back to School Night or during the first week of school. A list will be made available to families by the end of July. For those families who would prefer not to gather their own school supplies, ECA will accept a \$40 supply fee per student and will purchase your student(s) supplies.

Field Trips, Clubs, Sports & Special Events

As a classical school, ECA highly values the hands-on learning opportunities provided by field trips. Throughout the year, there will be opportunities for students to attend field trips, participate in clubs and sports and take part in special events. We attempt to keep costs to a minimum, but there will be additional charges for things like tickets and transportation.

Music Lessons

Ms. Debbie Balcom, our school's music and drama instructor, offers personal instruction for voice and piano during school hours, charges for a one-hour lesson are \$45.00, or \$22.50 for a half-hour lesson.

Tutoring

Many of our faculty members offer tutoring during school hours, in the afternoons, and over summer break. The cost to ECA students is \$37-\$45 for a one-hour session. The cost for non-ECA students is \$45-\$55 for a one-hour session.
