Additional and Optional Costs

Field Trips, Clubs, Sports, and Special Events

As a classical school, EHA highly values the hands-on learning opportunities provided by field trips. Throughout the year, there will be opportunities for students to attend field trips, participate in clubs and sports, and take part in special events. We attempt to keep costs to a minimum, but there may be additional charges for things like tickets and transportation.

Students can participate in sports and after-school club opportunities at ECA. These additional costs are the responsibility of the family.

The Learning Center

Part of what we offer at EHA includes programs for students who struggle academically or behaviorally. The Learning Center offers several programs which strengthen weak cognitive capabilities in any subject and can address various learning and processing dysfunctions. These therapies, offered at various price points, will enable students to become effective, confident, and self-directed learners for life. Many of our faculty members offer tutoring throughout the course of the year. Students do not need to be enrolled at EHA to benefit from this department. For more information about The Learning Center, please email TLC@eukaryaacademy.com

A Teacher's Guide for Parents

In an effort to partner with parents in the education of your student, teacher's guides for classes may be helpful. Our recommendation is to find used guides on Thrift Books, Amazon, Homeschool Marketplace, etc. Please ask the director or your teacher for further guidance.
