### **Field Trips, Clubs, Sports, and Special Events**

As a classical school, ECA highly values the hands-on learning opportunities provided by field trips. Throughout the year, there will be opportunities for students to attend field trips and take part in special events. We attempt to keep costs to a minimum, but there may be additional charges for things like tickets and transportation.

### **The Learning Center**

Part of what we offer at ECA includes programs for students who struggle academically or behaviorally. The Learning Center offers several programs which strengthen weak cognitive capabilities in any subject and can address various learning and processing dysfunctions. These therapies, offered at various price points, will enable students to become effective, confident, and self-directed learners for life. Many of our faculty members offer tutoring throughout the course of the year. Students do not need to be enrolled at Eukarya to benefit from this department. For more information about The Learning Center, please email [TLC@eukaryaacademy.com](mailto:TLC@eukaryaacademy.com)

### **A Teacher's Guide for Parents**

In an effort to partner with parents in the education of your student, teacher's guides for classes may be helpful. Our recommendation is to find used guides on Thrift Books, Amazon, Homeschool Marketplace, etc. Please ask the director or your teacher for further guidance.
